University of Missouri System requests access to the following information. If you do not approve this request, do not proceed.

- Your CILogon user identifier
- Your email address
- Your username and affiliation from your identity provider

Select an Identity Provider

Select University of Missouri System as Identity Provider

The screenshot shows a web browser window with the URL `cilogon.org/authorize?response_type=code&redirect_uri=https%3A%2F%2Fgp-engine...`. The page displays a dropdown menu for selecting an identity provider, with "Missouri" selected. Below the dropdown, the "University of Missouri System" is highlighted in blue. A large blue arrow points from the "Select an Identity Provider" button at the bottom to the "University of Missouri System" option. To the right, a section titled "Consent to Attribute Release" lists the information requested: "Your email address" and "Your username and affiliation from your identity provider".
